Folks, we really need help on this. I have signed up for 20 names. Only a few of you have agreed to help and taken names. Surely each of you can do 5 or maybe 10. We have got to broaden our base and increase our funding. Thanks much for your help.

Team,

Attached is the list of those who received the second solicitation letter we sent out (about two weeks ago).

The names that are highlighted have already been identified by someone to follow up with a personal contact. Please take a look at the list and let me know if there are some (especially those NOT highlighted) you are comfortable contacting.

This is always a lean time of year for us, so we will appreciate any contacts you can make in the coming days.
